

Buy a Brick

Recognition Plaza
Peppler Park

The City of Rockford and the Townships of Algoma, Cannon, Courtland and Plainfield, and Rockford Public Schools support the revitalization of the Rockford Area Community Endowment (R.A.C.E.). It is the intention of the endowment to provide funding opportunities for the betterment of the community.

Our Recognition Plaza honors those Rockford Area individuals/organizations that have achieved significant accomplishments in their lifetime through career, community or personal success. Those honored will be selected through a formal nomination process.

Help support R.A.C.E. by **BUYING A BRICK**. Become part of Rockford's history and honor your family, company or organization with a name engraved on a brick, which will become the patio (ground) area of the plaza.
